RE: Cherokee County Cogeneration Partners, LLC, Complainant/Petitioner v. Duke Energy Progress, LLC and Duke Energy Carolinas, LLC,
Defendants/Respondents,
Docket No. 2020-263-E

Dear Jocelyn:

The Power Purchase Agreement (PPA) between Cherokee County Cogeneration Partners, LLC ("Cherokee") and Duke Energy Carolinas, LLC ("DEC") expires on December 31, 2020. The Complaint and Request for Interim Relief filed by in this Docket includes a request that the Commission take action before the expiration of the PPA.

Because of the impending expiration of the PPA, on behalf of the Petitioner I request an oral argument on the Request for Interim Relief prior to the expiration of the PPA. Counsel is aware of the schedule established by the Commission Staff, the holiday season and its scheduling limitations, and the Commission's already active list of Dockets and hearing, and makes this request because of the urgency of this situation.

I have discussed this request with counsel for Respondents and counsel for the South Carolina Office of Regulatory Staff (ORS), and neither objects to the Commission scheduling and holding an argument. (To be clear, neither party is agreeing to the relief sought by Cherokee or the undersigned's characterizations, simply that they do not object to the Commission scheduling an argument).

Very truly yours,

s/John J. Pringle, Jr.
